

Description:

The Dosko 6HP mini stump grinder is compact, foldable, and lightweight making it the most portable and easy to use stump grinder on the market. The unit comes fitted with 500 series Greenteeth®. One of the main features of the 6HP is its full portability, as the handlebar can fold over the main unit. This means it can comfortably fit in the boot of most cars and vans, and weighing only 61kgs, it can easily be transported through a house/pathway to access back gardens.
