

Simpson PRO3800PW Pressure Washer Sales Specification Sheet

Description:

The Simpson industrial cold water pressure washer is the perfect product for your hire fleet. Made in the USA using premium components the washer delivers an impressive 3800 Psi/262 bar water pressure and a flow rate of 13.2 litres per minute. Powered by a Honda® GX270 and a CAT Pump® ensures reliability and performance for increased revenue.

Housed in an Aircraft Grade Aluminum chassis complete with integral accessory storage and pneumatic tyres ensures the product is highly maneuverable.
